Tu peux aussi essayer de me convaincre que tu crois beaucoup plus en les quatre Dieux qu'à l'argent et au pouvoir qu'ils t'apportent!

Prenez cet argent. Vous en aurez besoin pour payer une milice en attendant de mettre en place votre démocratie.

Phinéas Redd n'a pas été retrouvé et il pourrait vouloir se repaître.

Et vous? ... Vous allez revenir?

Si les quatre Dieux le veulent...

Oui, je reviendrai et je vous botterai le cul si vous échouez ou si vous vous barrez avec le fric.

Alors?

Cette cadourlade?

Des hommes et des femmes de tous les âges qui s'écharpent pour sauver des flots des objets de tout ordre avec les corps des propriétaires encore chauds qui flottent autour...

Ça avait l'air sympa.

Autant que de voir son père taper sa mère...

Pas de signes de soldats ou de gens du sanctuaire?

Non, m'sieur.

Alors On y va...

Je...

Je crois que je devrais vous vouvoyer à présent.

Laisse tomber... Les oracles, je ne suis pas sûr que ça fonctionne.

Je n'ai pas volé la quête et la supérieure de Hyllie n'a pas été tuée.

Tu as fait le plein de poudres et de minéraux à effets bizarres?

De sortilèges magiques secrets, vous voulez dire?

Euh... Oui.

Oui... Mais je ne sais pas si ce sera utile vu que vous allez tuer Tom Syrus.

Mouais...
